26 October 2010

Dear Mike

XIXth Commonwealth Games

With the recent completion of the XIX Commonwealth Games in Delhi, India I write to thank you and your management team for your invaluable contribution towards the success of the Games. These Games saw the highest level of participation ever from the Commonwealth's 71 Nations and Territories with two world records recorded in Para sport events along with numerous Commonwealth Games Records and personal bests and to my mind that is the true measure of a successful Games. Furthermore from the feedback I have received so far the athletes all had an enjoyable experience and we were again able to live up to our reputation of being the "Friendly Games".

Yes there were a number of operational issues and challenges and these will be looked at as we work through the formal debrief process with the Organising Committee later this year, the aim of this will be of course to apply "lessons learned" to future editions of the Commonwealth Games and in this regard our friends from Glasgow 2014 will be participating fully.

Thank you again for your ongoing commitment and support for the Commonwealth Games movement I look forward to seeing you all in the Isle of Man next September when we celebrate the IVth Commonwealth Youth Games.

Kind regards

Michael Fennell O.J., C.D
